

RE-REGISTRATION SUMMER SEMESTER 2022

Re-Registration Period:
February 1 to 25, 2022
Semester fee: 322,06 euros

Please transfer the exact semester fee stating your student ID number (*Matrikelnummer*), so payments can be properly assigned. The semester fee must be credited to the account of Hochschule Geisenheim University by February 25, 2022. The receipt of payment by the Hochschule Geisenheim University is considered as re-registration for the next semester.

After successful registration you can validate your Student Card at the machines provided near the cafeteria (*Mensa*). Only then will it be stamped with the new period of validity and the semester ticket and you can print out the necessary BAföG and enrollment certificates for the summer semester 2022 out of your QIS-account.

WHAT TO DO IF YOUR RE-REGISTRATION HAS NOT BEEN COMPLETED / STUDENT CARD HAS NOT BEEN VALIDATED ALTHOUGH YOU HAVE TRANSFERRED THE FEE?

If this happens, check the receipt of your semester fee in the student management system under „My studies“ (*Mein Studium*), „Student services“ (*Studienservice*) in the „Payments“ (*Zahlungen*) tab. Please make sure you have settled any payment discrepancies and submitted all necessary documents before the deadline.

Information on re-registration can also be found at:
